

Traffic Control Person Training Requirements

Due to the COVID 19 concerns you will need to provide your own PPE and bring to this course

Personal Protective Equipment (PPE) is designed to protect workers from injury or infection. Traffic Control Persons PPE is VERY specific because of working on a roadway.

Please ensure you have the following for the Traffic Control Course you are scheduled to attend.

- High Visibility Garment (minimum is a vest – background color must be orange or lime green)
- Safety Headgear – only colors acceptable are listed in the diagram below
- Wrist and Lower Leg bands as described below
- Safety Footwear – CSA approved with 6" ankle support with CSA green triangle tag

Specific details can be found in WORKSAFE BC OHSR Part 7, Part 8 & Part 18
